# KidsCenter

Kindermax Playground Systems "KidsCenter" Playgrounds are the definitive answer in affordable, heavy duty, easy-to-install playground equipment.

Modern Teaching Aids is the exclusive distributor for the Kindermax Playground Systems "KidsCenter" Playgrounds.

The Kindermax Playground Systems "KidsCenter" Playgrounds are extremely durable, modular, easy-to-assemble play systems specifically designed for commercial play areas.

The Kindermax Playground Systems "KidsCenter" Playgrounds are covered by a 5 year manufacturer's warranty.

Kindermax Playground Systems "KidsCenter" Playground's easy-to-assemble modular construction system is user friendly and can be installed in as little as 3 hours with 3 to 4 tradepersons.

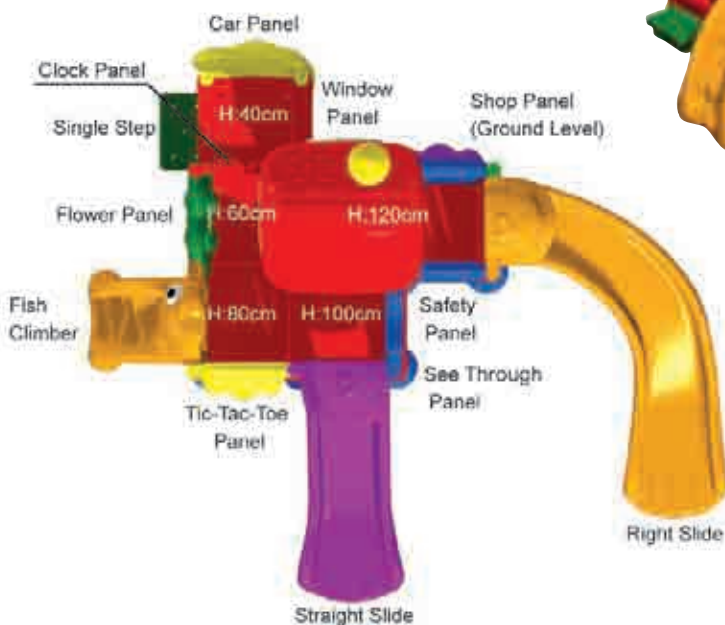

Australian/New Zealand standards approved. Softfall required

Modern Teaching Aids require a 50% deposit on receipt of order of any playground. All playgrounds require a minimum 8 week lead time from receipt of purchase order to delivery. Modern Teaching Aids do not offer an installation service - the purchaser can arrange local trades people to install the Kindermax Playground Systems "KidsCenter" Playgrounds and Kindermax Playground Systems Qitele Playground Equipment. The purchaser should allow 4-6 man hours for installation of "KidsCenter" Playgrounds and approximately 6-10 hours installation time for Qitele Playgrounds after the playground site location has been prepared.
